check_circle 4:25:45 PM

The screenshot shows the CARES application interface. At the top, there is a dark blue header with the text "Sandbox: V1SIT". Below the header is a navigation bar with a search bar and several menu items: "CARES", "Home", "Screenings", "Persons", "Person Search", "Reports", "Folio", "Households", and "Contact Log". The main content area is titled "Dashboard Intake Screening Volume Report". It includes a sub-header "The number and type of calls received during a specific time frame (day/week/month/quarter/year)" and a warning message "Last refreshed 35 days ago. Refresh this dashboard to see the latest data." Below this, it says "As of May 2, 2023, 3:55 PM Viewing as Hotline Staff1 Contra Costa". There are two dropdown menus: "Call Date" and "County Assigned to Screening", both set to "All". The main section is titled "Intake Screening Volume by Day" and contains the text "To view this table, refresh the dashboard." A sidebar on the right is partially visible, showing the word "Intak".
