The screenshot shows the CARES software interface. At the top, there's a navigation bar with links for Home, Screenings, Persons, Person Search, Reports, Maps, Folio, Households, and Contact. Below the navigation is a search bar with a placeholder 'Search...'. The main area has fields for City (Oakland), State (California), Zip Code (94763), County (Select an Option), and Country (United States). Below these are buttons for Validate Address, Clear, and Search. A table follows, with the first row showing columns for Action, Address Line 1, Address Line 2, City, State, and County. The second row contains the values: Select, FVaLzsqxFLGGeaNn, Oakland, California, and Unit.

The screenshot shows the CARES software interface. At the top, there's a navigation bar with links like Home, Screenings, Persons, Person Search, Reports, Maps, Folio, Households, and Contact. Below the navigation is a search bar with placeholder text 'Search...'. The main content area is titled 'Person' and displays a unique identifier: bTXXumQaRyvUFuduTIZFnYZDgPIYdgnz. Under this title, there are fields for Birthdate, Gender Identity, and Email. A prominent message says 'We found no potential duplicates of this Person.' followed by a note: 'No duplicate rules are activated. Activate duplicate rules to identify potential duplicate records.' Below this, there's a section titled 'Active Person Addresses (5)' with a 'New' button. On the right side of the screen, there are several small icons representing different functions.
